

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Major Marshall N. Carter, USMC  
White House Fellow  
Office of the Administrator  
Agency for International Development  
State Department  
Washington, D.C.

Dear Marsh:

Thank you for your nice letter concerning my appointment as DDCI. I have very fond memories of your Dad in that very position. I used to spend a great deal of time telling him what a wheel he was in that capacity. I can only hope I can do as well with this position in the future as your father did in it in the past.

In any case, as you say, the job is kept "in the family" and I will give it all I have.

I look forward to our continuing association in the future. All the best to you and Missy.

Faithfully yours,

E. H. Knoche
